

The Oswestry Disability Index For Low Back Pain

This questionnaire has been designed to give us information as to how your back pain has affected your ability to manage everyday-life activities. Please answer every section, and mark in each section the **one** box that applies to you. Although you may consider that two of the statements in any one section relate to you, please mark the box that **most** closely describes your present-day situation.

SECTION 1—PAIN INTENSITY

- My pain is mild to moderate; I do not need painkillers.
- The pain is bad, but I manage without taking painkillers.
- Painkillers give complete relief from pain.
- Painkillers give moderate relief from pain.
- Painkillers give very little relief from pain.
- Painkillers have no effect on the pain.

SECTION 2—PERSONAL CARE

- I can look after myself normally without causing extra pain.
- I can look after myself normally, but it causes extra pain.
- It is painful to look after myself, and I am slow and careful.
- I need some help but manage most of my personal care.
- I need help every day in most aspects of self-care.
